| Links | Date | Category | Description | Action Taken | Plans |
|---------------------------|---|---------------|---|--------------|-------|
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | At Risk | Day shift operator on Bus 5 came flying into shop area at the end of their shift. Remember NO job is so urgent 15 MPH in shop area max. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | At Risk | Right tail light out on bus 5. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Safety Slogan | Safety!! Keeps things and people running. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Comment | I recently was allowed to attend a WMA meeting/seminar in Casper. The day was truly informative and worth while. I believe all who attended will bring positive things back from it. Thank you. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | At Risk | Found can of starter fluid on tool box. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Safety Slogan | Work safe today and we'll see you tomorrow! | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Safety Slogan | Keeping your work area clean helps keep hazards from being unseen. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Safety Slogan | Do you have an eye for safety or are you blinded by bad habits. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Safety Slogan | Think safe act safe be safe. | | |
| View Card | 2013-09- | Safety Slogan | The best gift you | | |

| | | | | | |
|---------------------------|---|---------------|--|--|--|
| | 26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Safety Slogan | The best gift you can give your family is you! Please be safe. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Comment | Why can Belle Ayr have pit 1 & 2 in all equipment and all Sirius channels. Do they have special privileges or are we being treated like adolescence. Having pit 1 & 2 in all vehicles would be extremely helpful especially in weather situations. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Safety Slogan | Safety starts and ends with you. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Comment | Individuals need to be held accountable for their actions instead of the shot gun affect. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Comment | We should have had a grace period or better communication from coordinators about overtime sign ups and start date. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Safe | Great communication between yellow equipment on c crew while cleaning up after rain storm. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Safety Slogan | Falling objects can be brutal if you don't protect your noodle. | | |
| | | | | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Safe | Main haul road is in good shape! | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Safety Slogan | Remember the precious little things waiting when you get home safe. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Safety Slogan | You are your brothers keeper, keep them safe. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Comment | These running right classes are working. Keep going with them and eventually the | | |

| | | | | | |
|---------------------------|---|---------------------|--|--|--|
| | | | and eventually the old stubborn people will come to terms. Or they will retire and the younger work force will still get the training. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | At Risk | Rain storm caused road to slick up and truck driver didn't think it was safe | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | At Risk | Shovels 1 run was down due to weather. So they took lunch. | | Thanks Assigned to: Due Date: 2013-10-01T00:00:00+0000 I PicDate "YYYY-MM-DD" Mark as Complete |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | At Risk | A lot of left over food is put in the fridges around our property, it may help if everyone wrote the date of the day it was put there. Just so we can throw it out when bad. | | Thank you for the suggestion. Will try to remind everyone to take out food when bad. Assigned to: Due Date: I PicDate "YYYY-MM-DD" Mark as Complete |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Safety Slogan | Although hope may be a pleasant acquaintance, it is better to have safety as your best friend. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Safe | Need to have a better plan for blading the FM yard and access roads. | | |
| | | | | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | At Risk | Some employees were talking about a situation in the pit on the radio. You could tell that there was some confusion. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Safe | Checked the dirt lunch shack and all cords were tagged properly, all fire extinguisher punched for proper dates. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Process Improvement | Would we save \$ by setting up a portable crusher/grizzly at the drop structure 600 yards east of plant 3- to continue using belt line when plant 3 is down? | | |
| View Card | 2013-09- | Process | Rebuild area could | | |

| | | | | | |
|---------------------------|---|-------------|---|--|--|
| | 26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Improvement | use a yield sign going towards 23rd and 24th benches. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Comment | We feel like we are being forced to participate. There seems to be defiance to change. We feel like the "incentive" to meet a quota is ridiculous. Lack of feedback even when things are being changed and no feedback when nothings being done about issues brought to light on cards. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Comment | Remember cards don't make the difference but action does. Cards are a learning tool for others who weren't there though. Keep helping each other but use the tools too. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | At Risk | Propane bottles haven't been tied off. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | At Risk | A vendor was pumping fuel into his tanker. He was on top of the tanker. He had no safety harness on. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Comment | What can we do to improve, allowing us to obtain 0-50-5? | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | At Risk | Water truck passed the lowboy without calling on the right hand side then got in front of lowboy and sprayed water. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | At Risk | At shovel 11 repair oil was spilled around the current work area with tools laying about. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Safe | Observed 2 contractors lifting a spool using 2 people, knees bent proper lifting techniques. Good Job! | | |

| | | | | | |
|---------------------------|---|---------------------|---|--|--|
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Process Improvement | Dump 3E over old 6% coal road is sloughing. Only had 1 row of loose dumps. Maybe would of helped if we had loose dumped in the whole ramp before filling in over it.□ | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Comment | I still think you need to find a way□ to make people understand that this is the only voice we have in the process. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Comment | Came to conclusion it starts with management! | | |
| | | | | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Safe | Observed a coworker using horn signals in a small vehicle for reverse and forward. Great work! | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Comment | The help on shovel 11 of ACW maintenance has made repairs a breeze. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Safe | Used proper ground people when unloading heavy parts for shovel. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Comment | What are the major issues holding back the observation and feedback process at your mine? | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Comment | Management keeps taking away out incentives and raising our goals. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Comment | Give us incentives. Show us you (management) want quality, not quality. Let us know what changes come and what they are doing. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Comment | Good class, it was presented well. | | |
| View Card | 2013-09-26T00:00:00+0000 | Safety Slogan | The golden rule is | | |

| | | | | | |
|---------------------------|---|---------------------|---|--|--|
| | I PicTime "YYYY-MM-DD HH:mm AM" | | a safety tool | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | At Risk | Portable hot starts at the mobile fuel islands need electrician locks on 480v disconnects and chock blocks. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Safe | Very clean job site at 11 rebuild pad. Thanks Wy Machinery. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Safe | Used tag lines when doing crane picks. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | At Risk | Oil leaking down shovel 11. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Safe | Had a talk with all people involved before doing a pick so everybody knows what is going on. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | At Risk | Noticed parts of the pit were dusty. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Safe | During sh 3 pm, all trucks had chock blocks in use. Told employees good job. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Safe | Needed bench prep on east end of 22 E, got with coordinator to get it taken care of. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Safe | Plant guys came and got light plant fuel truck. Did a pre-use walkaround inspection. Thanked them for doing a good job. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Safe | Drillers pickup properly parked and wheel chocks in use. Good Job! | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Safe | Everyone at the shovel 11 repair pad had all their PPE on. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Process Improvement | The metal rack in the shop needs to be cleaned. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Safe | Across the board, impressive team work and safety on feeder breaker job at plant. Great job by all! | | |

| | | | | | |
|---------------------------|---|---------|--|--|---|
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | Sate | Observed plant maintenance techs working on plant 3 feeder chains. All safety harnesses were used properly. Nice job! | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | At Risk | Shovel 11 has possible fall hazard. | | oo Assigned to: Due Date: 2014-06-11T06:00:00+0000 I PicDate "YYYY-MM-DD" Mark as Complete |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | At Risk | Some of the dirt trucks pull up on to the shovel's tail, then don't roll off. | | |
| View Card | 2013-09-26T00:00:00+0000 I PicTime "YYYY-MM-DD HH:mm AM" | At Risk | I noticed the culvert between the hoppers and the lab appeared plugged due to the amount of H2O backed up on the plant side. | | |
